DORCHESTER MINERALS, L.P. ANNOUNCES ITS SECOND QUARTER DISTRIBUTION

DALLAS, TEXAS -- Dorchester Minerals, L.P. announced today the Partnership's second quarter 2006 cash distribution. The distribution of \$.778120 per common unit represents activity for the three month period ending June 30, 2006 and is payable on August 3, 2006 to common unit holders of record as of July 24, 2006.

Cash receipts attributable to the Partnership's Net Profits Interests during the second quarter totaled \$5,912,000. These receipts generally reflect oil and gas sales from the properties underlying the Net Profits Interests during February through April 2006. Approximately \$605,000 of gross capital expenditures, primarily attributable to drilling and completion activity, was paid by the owner of the working interests in the properties underlying the Net Profits Interests during March through May 2006. Cash receipts attributable to the Partnership's Royalty Properties during the second quarter totaled \$11,685,000. These receipts generally reflect oil sales during March through May 2006 and gas sales during February through April 2006.

The Partnership received approximately \$6,252,000 of other cash receipts (primarily lease bonus) during the second quarter and identified 126 new wells completed on the Partnership's Net Profits Interests and Royalty Properties located in 43 counties and parishes in nine states.

Dorchester Minerals, L.P. is a Dallas based owner of producing and non-producing oil and natural gas mineral, royalty, overriding royalty, net profits, and leasehold interests located in 25 states. Its common units trade on the Nasdaq Stock Market under the symbol DMLP.

FORWARD-LOOKING STATEMENTS

Portions of this document may constitute "forward-looking statements" as defined by federal law. Such statements are subject to certain risks, uncertainties and assumptions. Should one or more of these risks or uncertainties materialize, or should underlying assumptions prove incorrect, actual results may vary materially from those anticipated, estimated or projected. Examples of such uncertainties and risk factors include, but are not limited to, changes in the price or demand for oil and natural gas, changes in the operations on or development of the Partnership's properties, changes in economic and industry conditions and changes in regulatory requirements (including changes in environmental requirements) and the Partnership's financial position, business strategy and other plans and objectives for future operations. These and other factors are set forth in the Partnership's filings with the Securities and Exchange Commission.
